## “WORKSHOP SLIPWARE DECORATING TECHNIQUES”

1 & 2 APRIL 2016

POTTENBAKKERIJ BAAMBRUGGE, AMSTERDAM,  
NETHERLANDS

Margreet Bijpost runs a pottery in Baambrugge, a small town untouched by the 21st century under the smoke of Amsterdam.

Margreet has invited me to come and give a workshop slipware decorating techniques in her studio.

During this two day course, we will explore a variety of slipware decorating techniques.

Students mainly work on tiles that serve as a base for the various decoration techniques.

If you want you can bring your own (leatherhard) work to slip decorate.
